

We operate two cruises February 2, 2020 (Sun).
"Fireworks viewing ship" and "Concert cruise with fireworks"!
~ Enjoy the fireworks that decorate the clear night sky in winter ~

We, Hakone Sightseeing Ship Co., Ltd. (Headquarters: Odawara, Kanagawa Pref. President: Hiroyuki Okamoto) will hold fireworks viewing cruises at the "Setsubun Festival Fireworks Festival" held in Motohakone Bay, Lake Ashi on Sunday, February 2, 2020. Enjoy colorful fireworks and fantastic winter scenery from pirate ships decorated with illuminations.

In addition, we will operate a concert cruise by violinist Junei Osako who produced the theme song for the pirate ship "Queen Ashinoko" launched in April last year will be operated on the ship.

Details of "Fireworks viewing ship" and "Concert cruise by Junei Osako" are as follows.

Junei Osako (violinist) profile

A sound travel director who creates new value with the theme of "combination of music and travel"
As an ambassador for the JTB Royal Road Ginza, released the music "Sound of impression", and develops a new journey that has never been seen before. And he has produced the direction of Tokyu "ROYAL EXPRESS". He produced music production for the JR Kyushu cruise train "Nanatsuboshi in Kyushu" and has been on duty 305 times for three and a half years since the service started. This is a calculation that spent more than 200 days by train. In April 2019, he produced the theme song of "Queen Ashinoko".
