3. Other
  - (1) This service change is presumed to end after the state of emergency declaration is lifted, but at this time it is undecided. When the declaration is lifted, and after reviewing the COVID-19 situation, we will make another scheduling announcement.
  - (2) As for the March 2021 timetable revision, we plan to examine the line maintenance service efficiency, relief of burden on overnight staff, and train/cable car usage trend when deciding to push back the first train and move back the last. We will make an announcement about timetable revision when it is decided.

※Hakone Tozan Railway is taking appropriate measures to prevent the spread of COVID-19.
